Luci Murphy opens for Charlie King and Karen Brandow, musical storytellers and political satirists. Their repertoire covers a century and a half and four continents. They perform with the sweet and precise harmonies of life partners. They sing and write passionately about the extraordinary lives of ordinary people. To quote them: “[we hope to] take the listener on a journey of humor, heartache and hope.”

In December Magpie, and Kim and Reggie Harris will team up to present a winter concert. For more details, visit the new Carroll Cafe website at: www.carrollcafe.org,
