

Seekers Car Camping in the Fall

We are going car camping again this Fall in Prince William Forest Park, **October 11-13**. AKA BEAUTIFUL FALL WEATHER!

Car camping means that you literally drive up to your campsite, pitch your tent, say hi to fellow Seekers (maybe not in this order) and relax. You'd bring your food and comforts. Last year there were about a dozen of us, and we had tons of fun laughing, hiking, talking, whatever.

If you're interested PLEASE let Kevin Barwick know (contact info below), as it's good to be looking out for each other. If there's an issue with gear, also let Kevin know. Hope to hear from you.

Website: <https://www.nps.gov/prwi/planyourvisit/oakridge.htm>. You would need to reserve a campsite in advance (we all will be around Loop B)– <https://www.recreation.gov/camping/campgrounds/233379>. Site fees and entrance fees are listed on the website.
