REFLECTION

A booklet that was circulated in 1965 by the Church of the Saviour ... contained the following statement: "From the earliest days of the church a core assumption has been that the greatest impact on the world comes about by small, committed and disciplined communities of people focused on outward mission, inward transformation, and loving, accountable community." When Seekers Church formed in 1976, it embraced the three "legs" of a Christian life: the inward journey, supported by daily spiritual practices; the outward journey of mission in the world; and a community of committed people who deepen their lives of faith together and hold each other accountable.
