

COMMUNITY PURCHASING ALLIANCE

Energy: Join with the over 150 organizations who have saved \$600,000 on electric and gas bills. Complete the [application form](#) for electricity and/or gas and upload it/email it with a recent invoice and any existing contract(s) that specify your end date. CPA.coop/energy

Trash/Recycle: Average savings for trash/recycling pick-up have been 35% and with much better contract terms. Complete the participation form that indicates your current price and service levels. It takes less than 3 minutes. CPA.coop

Solar: The cost of installing solar panels has fallen dramatically in the past few years. Using available incentives and by financing a project through a "Power Purchase Agreement" you can now save between 5 and 25% on your electricity bills by installing solar. [Learn more](#) or express your interest [here](#) to learn more.

HVAC: We have expert support from the E&G Group who is helping us facilitate group solicitation for heating/cooling system maintenance agreements. If you are looking to reduce costs or improve service, please fill out our interest form at CPA.coop/join/hvac

Cleaning Supplies/Lighting & Repair products or other supplies: We've developed a relationship with ACE Hardware. Through CPA, you get 10% off across the board, and for products you buy routinely, we can get 20 to 30% off. Reach out to Wayne at ACE and he will get you started: Wayne@acehardware.com

Copier Leasing: Save 25% or more. We just negotiated an arrangement for copy machine leasing. We can give you our price list for different types of machines / levels of usage, or you can tell us what you need, and we'll give you a quote. Even if you have 1 year left in your current lease, it may make sense to look at what options are available, given some contract buyout possibilities. Let us know.

Office Supplies: Staples. You can get 10 to 20% off what you are likely currently getting through Staples Rewards or other Staples coupons/programs. The pre-negotiated pricing is through Staples Advantage. Sign up at bit.ly/CPASignUpNew and you will be connected with Nick Pithis (from our partner co-op BizUnite) who will describe more of the details and get you started.

Payroll Services: Significant staff time savings and 25% off have been the benefits we've heard from CPA participants in the program we have with payroll provider: ADP. Sign up at bit.ly/CPASignUpNew and you will be connected with Nick Pithis who will describe more of the details.

Short Video here: We recently made a brief video where you can hear Paul, Pastor Jeff, Ellen and Cynthia talk about their experiences with the Community Purchasing Alliance. Watch the short video [here](#).
